Bill, Bob,  
Let's go with Dean's (and Bob's) recommendation. John

Examples are below (showing current and under new proposal)

2001	10-13	10-6
2002	10-12	10-5
2003	10-11	10-11
2004	10-9	10-9

Net/net.....sometimes its earlier than under current, sometimes its the same date, sometimes its later....but its NEVER the same date as water fowl opener.

John, I met w/ NDGF on Monday afternoon and went over their recommendation to you on changing the date on the pheasant opener. (I'll fax to you a one page summary they presented w/ my notes.) Cryptic but, will summarize the deal.

Essentially here is what is going on:
